

hx Nitro Industrial Inkjet Printer

Manufactured at a facility in Canada with standard ISO 9001, ISO 13458 and AS 9100.

 **Wi Fi Connectivity**

 **Economy Mode Option**
(reduces ink consumption to 50%)

 **Printer Health Check**
(provides warning to avoid downtime)

 **Field Upgrade**
(enables new functionalities uploaded to your printer remotely)

Low Cost of Ownership

CIJ is undoubtedly, more expensive than Hx Nitro printer

No Sharing of Controller

Operate the printer and design message using any smart device (promote social distancing in workplace)

Almost Maintenance-Free Printer

No need for Field Engineer's visit, simple maintenance can be done inhouse by operators to maintain the best print quality

Neat & Clean Operation

Avoid messy ink drops in the production line

Small Footprint

The printer is industrial and lite. One fifth the size of the smallest CIJ
