**MapleJet**

Hx Cartro DOD Carton Printer

Ideal for marking barcodes logos and dates onto corrugated boxes with a maximum print height of 36mm

MAINTENANCE-FREE
Operating the printer is simple and there is no factory maintenance (with Technical Engineer visit) needed to keep the printer's performance.

LEGIBLE & DURABLE PRINTS
Uses pigment-based ink that produces clear, legible, and long lasting print that are more durable and resistant to fading, water, and UV lights.

USER FRIENDLY PRINTER
Control and design message using any smart device and there is no need to use SD card to transfer any messages. Cartridge replacement is extemely easy to perform.

SMALL FOOTPRINT
The printer does not have any bulky parts as it is designed to offer flexibility and compatibility in integration to any secondary packaging lines.
